

# Academic Council of Occupational Therapy Invites enrollment for

## AIOTA'S 4TH FELLOWSHIP IN ADVANCED OCCUPATIONAL THERAPY- NEUROPSYCHIATRIC DISORDERS (2022) FAOT-NPD

Accredited by

Santosh Deemed to be University, Ghaziabad, NCR Delhi

### ABOUT

After successful completion of AIOTA's 9 months duration Fellowship in Advanced Occupational Therapy: Musculoskeletal, Hand & Ergonomics (FAOT: MS&E-India) in August 2022, Academic Council of Occupational Therapy (ACOT) announces "AIOTA's 4th Annual fellowship in Advanced Occupational therapy In Neuro-Psychiatric Disorders" from December 2022- August 2023. The AIOTA Fellowship Programs in Advanced OT are aimed to

- > Enhance the knowledge base and clinical skills of Post graduates in Occupational Therapy. The fellowship program offers a blend of clinical expertise and knowledge from all across the globe.
- > Provide unique opportunity for didactic as well as web-based learning backed by expert supervision and evidence-based guidelines.

### OBJECTIVES

- To identify, administer and interpret appropriate comprehensive, standardized advanced OT assessment to detect neuropsychiatric diseases/disorders.
- To delineate and implement multiple treatment modalities from available evidences in rehabilitation of clients with neuropsychiatric conditions.
- To enhance clinical decision-making skills & supplement practice with newer alternative treatment modalities.
- Enable documentation skills and analysis of records to delineate effective and appropriate intervention in clients with Neuropsychiatric conditions.
- To build research skills, impart organizational and managerial skills as an occupational therapy practitioner.
