

AIOTA Certification for Ergonomically Designed Products [GUIDELINES IN BRIEF]

1. AIOTA Certification for Ergonomic Suitability of the Ranges of Furniture is applicable for the Original Furniture Manufacturing Industries only.
2. AIOTA certification will specifically be for the Ergonomic Suitability, Safety and Comfort for the users.
3. Registration with AIOTA is mandatory for all industries desiring to certify the ranges of furniture being manufactured. It is necessary to submit the duly filled prescribed Request Form for Registration. The Request Form may be downloaded from AIOTA Website.
4. AIOTA Certification for Ergonomic Suitability of the Ranges of Furniture is provided only on the recommendation of designated Inspection Committee comprising of a minimum of two members after completion of the requisite procedures of inspection in accordance with Certification Guidelines.
5. **IMPORTANT: AIOTA has not authorised any organisation, agency, board and certification agencies to issue Compliance Certificate.**
 - Any Compliance or other such AIOTA certificates issued by any Agency, Board or Organisation should be considered as INVALID.
 - AIOTA reserves the right to take reasonable action and/or legal proceedings on Agencies or Boards for such malpractice of issuing unauthorised Compliance Certificate to manufacturing industries.

For queries /information, if any, the President, AIOTA may be contacted.
