

Title Page

Title Page should be in a separate MS Word file and contain:

1. The title of the paper should be concise but informative. Also include brief running title to be written in the headers of the journal (if the title is too long). State the type of article.
2. Full name of principal author and other authors (including middle initials) with their academic degrees, designation and place of work.
3. Name of department(s) and institutions (along with city, state and country) where the study was conducted.
4. Period of study: From _____ to _____
5. Name, address, telephone number, mobile number, and email id etc. of the first author responsible for correspondence, regarding the manuscript or any other corresponding author.
6. Disclaimers, disclosure of conflict of interest, trial registration number, if any
7. The source(s) of financial support in the form of funds/grants and equipment donations etc.
8. Presentations and Awards, if any
9. How to cite the article
10. Acknowledgements
