SUB: WORLD OCCUPATIONAL THERAPY DAY THEME: 'OCCUPATIONAL THERAPY FOR ALL'

Dear Members

The WFOT has announced the theme for the 2024 World Occupational Therapy Day which is observed on the 27th of October every year. The theme this year '**Occupational Therapy for All**' signifies the importance of occupational therapy in facilitating and improving the ability of individuals, communities, and populations from across the world to participate in the activities that they want, need or are expected to do in their daily lives.

We encourage our AIOTA members, state branches and institutions to plan in advance and organize events aligning with the given theme to spread awareness of our profession. Please share your experiences and report with photographs to our association so that we can publish it in our newsletter, website and social media. We look forward to your active participation.

Best Regards

Dr. Joseph Sunny

Hon. Secretary, AIOTA
